

EMS COMPETITION

Date: Sept. 25th, 2010

Registration: \$75 due 8/27/2010

Location: GBAC Corps Room
11 Albert Palmer Ln.
Baldwinsville, NY 13027 .

Time: 7:00am for bag check with sequestering to follow.

Description: This is NOT a state practical !!! This event is designed to challenge and reward the hard work, skills and teamwork of dedicated teams of EMS personnel from around the region and beyond. The scenario will be based on a possible true-to-life event in which each team will be evaluated by a panel of judges. Light Breakfast and Lunch Provided.

Benefits of participation include: Creates positive peer pressure that raises competence levels, brings prehospital care providers up to speed faster on new procedures, makes training more meaningful, builds confidence, keeps infrequently used skills fresh, and promotes individual responsibility within a team.

Teams will be composed of three (3) persons who must function in a prehospital setting. Paramedics, EMTs, RNs, MDs and military medics who function in the EMS environment are eligible. Separate ALS and BLS divisions will be established. To qualify for entry in the ALS division, at least one team member must be a paramedic. Each team may also have one alternate member (for a total of 4). Alternate members may be on-site during competition, but cannot participate in any way during activities. The usage of cameras and electronic recording devices by the fourth member is permitted and encouraged!
